REFLECTION

The concept of hospitality is fundamental to a stewardship way of life. When we envision hospitality, we naturally think of offering a sincere and warm welcome — to those new to our parish, for instance. We picture inviting them in and making them feel at home and at ease in our presence, communicating to them that they are highly valued.

Today's Gospel reading from John invites us to think of hospitality in a slightly different way. In it, we hear Jesus speaking this to his disciples: "Whoever loves me will keep my word, and my Father will love him, and we will come to him and make our dwelling with him."

Jesus is asking that we permit the Blessed Trinity to come and dwell within us. This is a stunning request. It tells us that our first and most privileged form of hospitality should be directed towards God Himself.

How does one show hospitality to God? How do we make God "at home and at ease" within us? How can we communicate to God that He is "highly valued" by us?

Jesus tells us how: we are to keep His word, to follow His teachings.

In order to keep His word, we must know His word. This takes discipline and effort on our part. We must make study of Scripture and Church teaching a priority in our daily lives.

If we want our parish to be a place of genuine Christian hospitality, we must be sure that our own hearts are hospitable dwelling places for the Blessed Trinity. Then, our smiles and words, our greetings and ministries, will radiate with the warmth of God's love. And, our parish family will become at least a little bit like Heaven on earth. This is the simplicity and glory of a stewardship way of life.

PHISHING SCAM - "Pastor" Text message

There is a scam going around where parishioners are receiving text messages on behalf of their "Pastor", asking for help or money. In all cases, the text message was "signed" with the Pastor's full name, including middle initial. The text message is also personalized using the recipient's first name. The message asks people for "Steam wallet gift cards" and to scratch the back of the card to reveal a pin and to message the information back to the sender.

Please beware of this scam and be assured that this parish and no other parish would make this kind of request.
