## **FROM THE PASTOR'S DESK**

The Masses listed on this bulletin page while not being said in church are being said by Msgr. Machalski and Fr. Lee in the rectory each day for the listed intentions.

All events have been canceled by the Diocese of Brooklyn until further notice.

Sacred Heart Academy is closed until further notice. Religious Education Classes are also canceled until further notice.

If someone you know is suffering from coronavirus or has died due to it please call the rectory. Fr. Alex, Monsignor and the Sisters have a prayer list and we will add their names to the list so that we can pray for them.

Next Sunday, May 10th, is Mother's Day. Please return your Mother's Day Novena Mass envelopes to us by Saturday, May 9th. If you used WeShare for this please email or call in the names of your living and deceased mothers to be prayed for during the novena. The envelopes can be mailed to us or dropped in the rectory mail slot. All Masses next Sunday and throughout that week will be offered for the names of the living and deceased mothers submitted by you.

I have called all those who receive Holy Communion at home, all those who receive Meals on Wheels from our parish and a list of Leisure Club members given to me by Sr. Kathleen. If I missed anyone please let me know.

Also, if you know anyone that would like a call from me just give me their number and I will gladly reach out to them.

May 2 was a sad day for our second grade students in both Sacred Heart Academy and Sacred Heart School of Religious Education as it was the day they were supposed to receive their First Holy Communion. In a video message sent to the children I reminded them that Jesus was spiritually with them. I also told them that just as they were disappointed that they couldn't receive Jesus He was just as disappointed that He could not come into their hearts in Holy Communion but that soon, one day soon, when we are given clearance and get back to some sense of "normalcy" they will receive Him in Holy Communion. Please say a prayer for these little ones at this difficult and disappointing time for them.

We have begun the month of May, a month particularly devoted to Our Blessed Mother. Please consider saying the Rosary or at least one decade of the Rosary throughout the month. In a special way let us remember in prayer all our doctors, nurses, hospital personnel and support staff, police officers, firefighters, EMS/EMT personnel, and all other essential workers who are truly heroes. May God bless them through Our Lady's intercession for

their selfless acts of love and charity on our behalf.

A special word of thanks to all those who have mailed in or dropped off their weekly contributions or continue to support the parish using electronic giving. Thanks to those who have made special gifts to help us financially get through this time of crisis.

A word of thanks from Fr. Alex and myself to those who have dropped off delicious home made foods of all types. Thanks to those who have written us notes of encouragement and support or called to "check in on us" via phone. We appreciate your kindness, support and prayers.

Thanks to all who have returned their updated parish census forms to the rectory. If you have not done so as of yet please do as soon as possible. You can mail them, drop them off in the rectory mail slot or send them via email.

Please check our parish webpage and FaceBook page for updates and important announcements.
